

ADVANCE NOTICE

AUTUMN IN GAMUNDIA

An International Scottish Dance Weekend
for advanced & very advanced dancers

Schwäbisch Gmünd, Germany
23 – 25 OCTOBER 2020

Teacher: Deb Lees
Musicians: Kevin Lees, Phill Jones, Màrtainn Skene

We are delighted to announce the next Autumn in Gamundia Weekend,
an international gathering of Scottish Country Dancers.

Over the centuries, many have made their way to Schwäbisch Gmünd, from Romans defending their frontier town known as Gamundia to the medieval artisans who originated the town's title as the "Gold and Silver City". Why not dance in their footsteps in Autumn 2020, when the town will echo to the sound of the pipes and kilts grace the historic streets?

The dance venue, an attractive modern congress centre, is situated in a beautiful location, a small park just across the road from a four-star hotel where accommodation will be available at special rates for participants of the dance weekend.

There will be a welcome class on Friday evening, classes on Saturday and Sunday morning and a ball on Saturday evening.

Detailed information and application form will be available at
www.rechbergscottishdancers.de as from mid-January 2020.
